

## Need another sponsorship form?

If you've filled in this form and you're still collecting sponsorship, amazing! Keep up the good work!

Head to [canteen.org.au/fundraise](http://canteen.org.au/fundraise) to download and print off as much as many as you need.

## How to return your sponsorship money

Once you've finished fundraising and collected all the pledged sponsorship, all that's left to do is return the money you've raised to CanTeen.

## If you've got cash or cheques to pay in, you can choose from these easy options:

### By Direct Deposit

You can make a deposit over the counter at National Australia Bank. Call us on 02 9007 0225 to get our bank details and your unique reference number.

### By Credit Card

Put the money raised into your bank account and pay with your credit card. Call us on 02 9007 0225 to make your payment.

### By Post

You can send us a cheque or money order addressed to "CanTeen Australia", making sure to include your name, phone number and event details.

Please send it to:  
CanTeen Australia  
75 King Street  
Newtown NSW 2042

Please don't send cash in the post as it could get lost on the way. Either send a cheque for the amount, deposit the money raised at the bank or make a card payment.

The sooner you bank the money you've raised, the sooner you can make your hard work count and help us provide support to young people affected by cancer.

Thank you so much for fundraising for CanTeen.

*We think you  
are awesome!*
