

### how to make your CanTeen bunting

1. Print multiple sheets of this template to actual size (A2) or scale to fit (A3)
2. Cut out the bunting triangles along the dotted lines
3. Punch holes in the top two corners of each triangle or staple the triangles to twine or ribbon
4. Be sure to leave enough length on each end for tying up
5. Hang up your bunting to add a little something extra to your fundraising event
6. Need more decorations? Head to [canteen.org.au/fundraise](https://canteen.org.au/fundraise) for more templates.
